

MHS is currently hiring for FULL-TIME mental health practitioners and professionals.

We need staff who are interested in working in a setting where practice based evidence is used on a daily basis to provide highly effective and accessible services to clients.

MHS began as a provider of adapted DBT services at an intensive outpatient level (IOP) and over the past thirteen years has grown to include services such as: DBT for youth and adolescents (along with their families), integrated dual disorder IOP, SPMI groups based on IMR, dual mental health and chronic pain programming, and starting in the new year dual mental health and cancer programming.

Visit our website for more information at www.mhs-dbt.com

MHS is poised to enter fully into the integration of mental health and physical health service provision through our participation in the Behavioral Health Homes project sponsored by DHS.

We need staff to help us to grow, staff that is interested in our core services of DBT, as well as our additional services including integrated healthcare.

If you are interested in applying for a position or would like more information, please send an email with the subject line of either employment questions or employment application attaching a curriculum vitae and cover letter expressing why you would appreciate an interview. Send the emails to employment@mhs-dbt.com

Please only apply if you meet the minimum education and experience requirements.

POSITION TITLE: Mental Health Practitioner/Professional

JOB CATEGORY: Full Time

REPORTS TO: Clinical Supervisor/Clinic Supervisor

QUALIFICATIONS: Mental Health Practitioners are currently working towards licensure for independent clinical practice by a recognized licensing board of the State of Minnesota. Professionals have their current Minnesota license (or are license eligible) and are responsible for maintaining it.

RESPONSIBILITIES:

Direct Services/clinic hours: Provide therapy for clients in group and/or individual format. (see our website www.mhs-dbt.com for programming that we provide) Full time employment is a 40 hour work week with at least 32 direct service/clinic hours. Part time employment is set at the same 80% of paid hours. For the calculation of direct service/clinic hours, MHS uses the simple formula of anything we schedule your time for (clients, programming, training, supervision, etc.) is included in the tally.

RESPONSIBILITIES CONTINUED:

Paperwork: After appropriate training is provided by MHS it is the clinician’s responsibility to familiarize them self with all documentation required. MHS uses Procentive as an EHR system. All staff are provided with initial training and ongoing support in the use of the EHR system. Different programming, reimbursement and populations can have unique paperwork requirements.

Training and consultation: Participate in scheduled weekly group training and weekly case consultation meetings. Twice yearly all staff trainings are also held on various subjects. MHS also sponsors some specialty trainings for clinicians in the Twin Cities and staff is invited to attend these as their schedule allows. New hires receive the training necessary to provide the services assigned and begin their work with a number of days devoted to agency orientation and training. The type and length of that training is tailored to the training needs of the individual.

Supervision: As a mental health practitioner you are working under the license of a mental health professional. You must meet with this professional for an hour of direct supervision during which you will provide sufficient information to ensure effective and ethical services to MHS clients. You must follow the directives of your clinical supervisor, the clinic supervisor, the director of clinical services, and the owners of MHS. Clinical documentation must be submitted to your supervisor in a timely manner and is to be reviewed as directed by MHS policy. Mental Health Professionals are responsible for completion of all work independently and will meet with clinic supervisors as needed. Staff are required to complete other duties as assigned by supervisor or Director of Clinical Services.

Compensation: MHS provides a competitive salary that is commensurate with your level of experience, a 401k match of up to 4% of your earnings, shared cost health insurance for you and your family, dental insurance and short term disability can be purchased through our group, all license fees and professional association fees covered and a generous stipend for CEUs of your choice and company funding of CEU opportunities that are job specific.
